TEXARKANA COLLEGE
EARLY ADMISSIONS VOCATIONAL

GENERAL INFORMATION

High School juniors and seniors who are prepared to accept academic responsibility may enroll in TC's Early Admissions Vocational Program. Under the provisions of this program, students may enroll following their sophomore year.

This program is not in competition with, or in lieu of, high school credit. It is designed to offer juniors and seniors the opportunity to accelerate their educational program.

ADMISSIONS REQUIREMENTS

To be admitted to this program, a student must:

1. Have written permission from the high school principal or counselor
2. Have written permission from parent or guardian
3. Complete a TC application for admission at www.applytexas.org
4. Present this completed form and a current high school transcript at the time of registration

AWARDING CREDIT

Official transcripts will be made available to students while they are enrolled in high school; however, upon graduation from high school, the student's official records will be held until the Admissions Office receives a completed high school transcript. Re-enrollment at TC following high school graduation is encouraged but is not required for receiving credit. **TC cannot guarantee transferability of early admission credits to all four-year institutions. Students should check with the institution they plan to transfer to regarding the transferability of early admissions course work.**
