What is the purpose of registering as a Registered Student Organization?

The purpose of Registered Student Organizations (RSO’s) at TC is to complement academic programs of study, and to enhance the overall education experience of students through development of, exposure to, and participation in social, cultural, intellectual, and recreational activities. Registration if students groups are necessary before College funds, facilities, and/or services will be available. Registration is facilitated through the Dean of Student’s Office.

Registration of an organization does not constitute College endorsement or approval of organization’s policies, message, or activities. It does signify a willingness on the part of the organization to comply with state and federal laws, college rules, regulations, and policies. It is also important to note being a RSO at TC is a privilege and not a right.

REGISTERED STUDENT ORGANIZATION

An organization in which membership is limited to students, staff, and faculty may become a registered student organization by complying with the registration procedures established by the Dean of Students.

Registered student organizations shall abide by College District policies and procedures and applicable law. Registered status shall not imply that the College District endorses a student organization’s opinions and activities.

An eligible group of students shall be entitled to register as a student organization. Approval for registration of an organization on any one campus or center shall be effective College District wide.

Benefits of being a RSO

As a RSO you are eligible to:

- Use on campus facilities for meetings and events
- Post information and publicize events on campus
- Reap the benefits of a faculty/staff advisor
- Access to RSO advisor and leadership training

ELIGIBILITY

A group shall be eligible for registration if:

- Its membership consists of seven or more students.
- It does not deny membership to anyone on the basis of sex, disability, age, color, race, nationality, or religion.
- It has an advisor who is a member of the faculty or the staff.
- It is not under a disciplinary penalty prohibiting registration.
• It conducts its affairs in accordance with College District policies, procedures, rules, and regulations; as well as with local, state, and federal laws.
• Its membership is limited only to students, staff, and faculty of the College District.

REJECTION OF APPLICATION

If the Dean of Students does not approve the application for registration, he or she shall provide the applicant with a copy of a written statement of the reasons for refusal, and the applicant may appeal to the College President.

The College President may take one of the following actions:

• Affirm the Dean of Students’s decision.
• Reverse the Dean of Students’s decision.

The prohibition shall be for a period of not less than four months following the date of the notice and may be permanent. The revocation shall be effective College District wide.

All Officers are responsible for keeping an individual calendar to track the events and meetings in which their participation is required.

**Recruiting Officers:**

Co-advisors can be any full-time or part-time TC faculty or staff member.
Categories of Registered Student Organizations

In an effort to most efficiently and effectively communicate and develop a relationship between the College and its students, the Dean of Students Office has developed designations for student organizations. All organizations that are approved by the appropriate parties are Registered Student Organizations (RSOs). RSOs are separated into 8 organizational categories: Academic, Arts, Culture, Honor Society, Political, Religious, Special Interest, and College Organizations.

As such, they are directed or chaired by a regular College faculty or staff member, and responsible to campus academic or administrative authorities. Membership in a College Organization is subject to various internal requirements and regulations. Students may often participate in the organization’s decision-making process, however, the final decision making authority falls to the faculty or staff advisor. (Example: Student Government)
