Psychology, & Sociology, HCC Office of Instructional Initiatives, and  
Darwin2009-Houston <http://www.darwin2009houston.org/>*

Robert Dennison-Advanced Placement (AP) Science Lead Teacher for the Houston Independent School District has been bringing great scientists of the past to life for his students since 1984. In 1990, he began performing as Charles Darwin for gatherings of science teachers, scientists, and science historians throughout the U.S., as well as Canada and England. In 1999, he was given the honor of posing as Darwin for photographs taken in Darwin's home, Down House, now a museum outside of London. In 1999, Dennison's Darwin was a featured General Session speaker for the National Association of Biology Teachers' annual convention with an audience of more than 1,500. Dennison, 2003 President of the Texas Association of Biology Teachers (TABT), has won numerous teaching awards including an Advanced Placement Special Recognition Award from the College Board; the HEB Lifetime Achievement Award for Excellence in Teaching, and Distinguished Teacher Award from the White House.

**Individuals do NOT need to make reservations!**

Information - [ann.bragdon@hccs.edu](mailto:ann.bragdon@hccs.edu) / 713-718-5642
