Start Smart. Finish Strong.

Construction Technology

Getting a college education is kind of like building a house. One class on its own doesn't look like much, but when all the pieces come together and you step back, you see something that you can be proud of. If you're interested in building things and working with your hands, this program will lay the foundation that will help keep your future secure.

PROGRAMS AVAILABLE

Associate of Applied Science
Construction Technology 1-Year Certificate
Construction Helper 1-Semester Certificate

WHAT YOU'LL LEARN

Construction industry basics | Mechanic systems in construction | Construction management | Carpentry methods & materials | Construction tools & techniques | Building codes & inspections | Construction estimating | Construction engineering | Mechanical, plumbing & electrical systems

TYPICAL JOBS AFTER COMPLETION

Construction Manager
Pipelayer
Construction & Building Inspector
Plumber
Plasterer & Stucco Mason
Roofer
