Consult the catalog of the four-year institution to which you intend to transfer.

Prerequisite courses that must be completed before enrolling in the ADN program are: BIOL 2301 & 2101, BIOL 2320 & 2120, and PSYC 2301.
## Registered Nursing

Texarkana College’s Associate Degree Nursing is one of TC’s flagship programs and is one of the oldest accredited ADN programs in the state of Texas. The program began in 1959, with the first graduating class in 1962. Texarkana serves as a healthcare hub for the Four-States area. With two hospitals and multiple health clinics, surgery center, medical specialists and nursing homes, registered nurses are in high demand - and that demand is projected to grow by 16% over the next 10 years.
