PARTICIPATING GRADUATES

Graduates receiving associate degrees with a 3.25 or higher GPA are wearing royal blue honor cords to recognize this accomplishment.

Graduates who have completed our rigorous Honors College curriculum are wearing silver Honors College medallions. Graduates who are military veterans and in Phi Theta Kappa are wearing red, white and blue honors cords. Graduates who are first-generation college graduates are wearing blue and green cords.

The students listed in this program for diplomas and those listed for honors are candidates. Official status will be determined by final semester grades.

TEXARKANA COLLEGE ANTHEM

Words and arrangement by Mary Scott Goode and Marc-André Bougie

Texarkana College, our hope, our home, our heart. A place to learn and grow and dream where bright tomorrows start. Empowered and inspired by our future and our past, we work to build a home for all and goals achieved at last. May all who join be blessed with knowledge, skill and art. Texarkana College, Our hope, our home, our heart.

A SHORT HISTORY OF TEXARKANA COLLEGE

Texarkana College was established in 1927 as a public junior college and as a branch of the Texarkana, Texas Public School Systems governed by the Texarkana Independent School District Board of Trustees. First located at 16th and Pine Streets, the campus was comprised of classrooms, laboratories, offices, and a gymnasium. The Col-lege experienced a slow but steady growth from the 109 students in 1927 until the end of World War II at which time it became increasingly apparent that the growth in enrollment caused by returning veterans demanded expansion.

A 1948 bond issue led to the purchase of a new, 20 acre campus and construction began in 1950 of an administration building and gymnasium. In 1953, the College relocated to its present site on Robison Road with an enrollment of 589 students. In 1957, the Texarkana Independent School District Board of Trustees voted to "divest itself control, management and operation of the Texarkana Junior Col-lege District" and to create a separate Board of Trustees for TC. In the 1960s and 70s, the College continued to increase annual enrollment and expand services as it transitioned from the junior college model to a community college.

In November 2012, the citizens of Bowie County voted to expand the college's taxing district from its original 16 square mile district to encompass the whole county. At the same time TC received designation as a Leader College among community colleges in the nation through the Achieving the Dream network—a national organization dedicated to improving student success and completion in community colleges. Today, TC's beautiful main campus sits on 90 acres and includes a two-acre nature reserve. The College offers academic classes, workforce programs, and high quality continuing education. Expansion and growth continue with the addition of new programs, partnerships with surrounding school districts, and customized training for local businesses and industries.

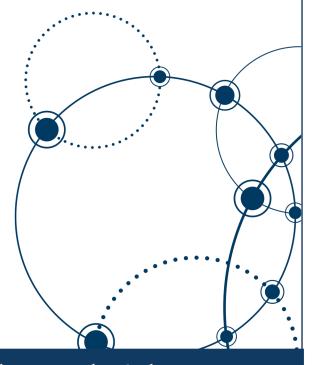

In 2017-2018, TC celebrated its 90th anniversary and served 8,405 students in its academic, workforce, dual credit and continuing education programs. The College also held the rank of #1 in the State of Texas for having the highest graduation rate for community colleges. As a result of its transformative work with students to improve success and completion, TC won national recognition with the prestigious Leah Meyer Austin Award through Achieving the Dream in that same year.

CHEF SHEILA LYNN

Professor, Program Coordinator and Instructor – Culinary Arts, Associate of Arts in Behavioral Science

hef Sheila Lynn has been a part of the Texarkana College family for 12 years. She is currently in her third year in the role of Program Coordinator and Instructor of Texarkana College's Culinary Arts Department. Before this, she served as an FCI Instructor, as well as a High School Duel Credit teacher.

Originally from California, Chef Lynn moved to Fouke, AR with her family and spent over 20 years in this area, traveling and performing with several Gospel and Country groups. She played the drums and guitar, and she was a singer and songwriting. Chef Lynn moved to Nashville, TN to pursue her passion in music. While there, she was able to record and travel, while singing, playing, and writing with a number of groups. Chef Lynn is a published songwriter and has a number of songs recorded.

While in Nashville, she found another passion — cooking. Chef Lynn decided to face her fears and go back to school, where she earned her Associates Degree in Culinary Arts, enabling her to pursue a career as a Chef.

Chef Lynn has served as a Banquet Chef, Catering Chef and Executive Chef for several hotels, conventions centers, country clubs and restaurants. During this time, she prepared meals for a wide variety of politicians and celebrities including: Pres. George W. Bush, Vice Pres. Dick Chaney, V. Pres. Al Gore, the late Robin Williams, Bon Jovi, The Rolling Stones, ZZ Top, LL Cool J, Mary J. Blige, Willie Nelson, and Toby Keith to name a few. She also had the opportunity to spend about a year and a half cooking for her favorite NFL team, the Tennessee Titans.

After finding success in Nashville, Chef Lynn moved back to the Texarkana area to be closer to her family. Through Texarkana College, she has found her true passion; perhaps her purpose in life; that is to Inspire, to Mentor, to make a difference, and to teach her great passion of cooking to Culinary Arts students of all ages.

Tonight, Chef Lynn is graduating with an Associate degree in Behavioral Science, with plans to pursue her BAAS at TAMUT in the Spring 2021 Semester. In doing this, she leads her students by example in pursing their dreams, no matter the challenge.
