TEXARKANA COLLEGE

TC COMPUTER POLICY

Students are required to have a computer with Internet access for classes. Smart phones, iPads, Androids, Chromebooks, etc., are not acceptable substitutes because they lack software compatibility necessary to complete all assignments and tests. Financial costs for the necessary equipment and internet access are the responsibility of the student. https://catalog.texarkanacollege.edu/article/computer-requirement-policy/

COMPUTER SYSTEM REQUIREMENTS

1. Webcam, microphone, and speakers or headphones
2. Support for Chrome or Microsoft Edge - Note: Firefox, Safari, or other browsers will not work
3. Able to run Microsoft Office which will be provided free to TC students
4. Antivirus software such as Windows Defender or another 3rd party anti-virus solution
